

It's Not Complicated: A step by step process to literally make disciples everywhere!

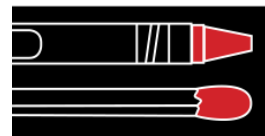

You, yes you, can be the match the Spirit uses to spark change in the world around you and beyond. He can use the simplicity of a child's crayon to draw a mosaic that points those in your sphere of influence to start the most important relationship ever!

Jesus is the only source of lasting hope, abundant life, real peace, unending joy and fulfilling love today, tomorrow and well into eternity. As you filter your everyday choices through Jesus and His Word; and then, put those discovered truths into practice empowered by the Spirit, you'll find your needs met, faith healthier and life changed. Your changed life then becomes the mosaic others need to see and the Jesus story they will want to hear.

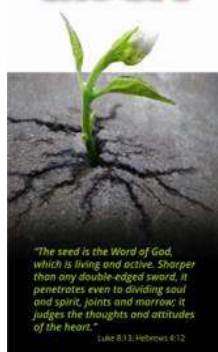

With that in mind, *It's Not Complicated* contains stories that illustrate scriptural principles that show that all disciples, no matter their age, can be and make more and healthier disciples; that all disciples can start churches; and that, every location, no matter where it is, is a potential meeting place for a church if *we simply follow Jesus simply*. It's not complicated. It's okay to color outside cultural lines!

**BIBLE
IMPACT
GROUPS**

"The seed is the Word of God, which is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart."
Luke 8:11; Hebrews 4:12

***B*ible Impact Groups**

Each believer can indeed be used by God to make more and healthier Jesus disciples! Once the Spirit uses you to experience the birth of a new follower of Jesus, continue the discipleship process by helping them hear directly from Jesus through letting the Bible impact their life.

A simple way to do this is to hand them a Bible (or a Bible app for their phone) and a copy of the *Bible Impact Card* (download it for free and/or purchase it in bulk at the Online Store); and then, start a *Bible Impact Group* (BIG) with them. Jesus said, "My sheep listen to My voice, I know them, and they follow Me." This simple discipleship tool gives you the ability to do this.

While participating in a BIG, you can also go through *The New Disciple's Handbook* with them. Each chapter gives this new believer more tools to listen to and follow Jesus. You can also share how Jesus helped you to listen and follow Him;

thus, fulfilling His command in Matthew 28:18-20 to teach others to obey all that Jesus commanded you to do.

***T*he Discipleship Training Center & Discipleship Mentoring**

Jesus said He would build His church (Matt. 16:18) and told us to focus on making more and healthier disciples (Matt. 28:18-20). If want to get better at listening to and following Jesus, *The Discipleship Training Center* (DTC) was designed with you in mind!

In three years, by taking a course each quarter, you'll get additional biblical tools to pass onto others as you continue to experience Jesus change your own life (biblical filter), learn how to study the Bible for yourself, get the big picture of Scripture, as well as discover what you believe about many of the details of Scripture all the way down to how things end.

You can join Chris' quarterly classes via Skype or choose to run your own DTC using the plug and play *Facilitator's Guide* with companion *Participant Notes*. Both can be purchased through the Online Store or through contacting Chris directly at a discounted price.

If you'd like coaching in how to make disciples and start churches using the principles in *It's not Complicated*, Chris has over 30 years of pastoral experience from starting a church from scratch to growing a "small church with a big vision." Failure doesn't apply to numbers, only to not making more and healthier disciples. Chris is available for discipleship mentoring through contacting him using the Contact Information below.
